JULY BULLETIN

EERTA

I am very pleased to let you know that EERTA will be continuing as an active unit of the Long Island Zone. I have been informed that Fred Conway will continue as President of EERTA and Dom LiCausi will serve as Vice President. Sue LiCausi and Eileen Holmes will continue as Secretary and Treasurer, respectively. Fred will provide additional information about the make-up of the Board of Directors and detailed plans for a gala Back-to-School luncheon.

For over 40 years, EERTA has been keeping retired East End teachers in touch with each other and informed of educational topics, health care, pension news and other senior citizens issues. Luncheons and holiday parties have given you great memories and now, it's time to make more!

With best wishes for continued success,
Eileen Holmes
President, Long Island Zone

HEALTH ADVISORY

On June 7th, New York City was reported to have the worst air quality of all the cities in the world because of the Canadian fires! Be sure to wear a mask if your area looks smoggy. To check on air quality go to airnow.gov on your phone or computer.
